

## PERSONALIZED SERVICE

Our store is well staffed with experienced pharmacists and technicians who can establish a strong working relationship with the patient. We take the time to counsel and reinforce the importance of adherence, offer flexible payment methods, and look for opportunities to reduce overall healthcare costs and simplify regimens.

We look forward to being your pharmacy of choice.

Located in Clayton near Johnston Health Clayton, we service all of Johnston County and Garner, NC.

As healthcare transitions from a transactional based model to one that is more relational and outcomes focused, you need all the tools you can get to meet those goals.

Patients face many barriers to improving their health. One of the simplest is taking their medicine. We offer a variety of services and health resources to improve the odds in their favor.

We accept most major insurance plans including Medicaid, Medicare Part D, and Tricare.

We invite you to try a different experience than you find at a typical pharmacy. Here, our staff is friendly, personal, and available. Come or call and see how we can best meet your needs.

## THE REMEDY TO THE COMMON PHARMACY

At Beddingfield Drugs, our collection of staff has experience working in independent pharmacy and most of us left big-box chain retail pharmacy because we knew we could be better. We take pride in the level of service we offer with our experienced and knowledgeable staff. You will find a range of services that go above and beyond your expectations of retail pharmacy.

### MEDICATION SYNCHRONIZATION: FREE

Our medication synchronization program makes it easier for patients to pick a day each month to pick up or receive all their medicine. For patients with changing regimens or those that require more monitoring, we can send weekly or bi-weekly orders.

*We call and follow-up with refills and verify changes.*

*Everything you request, once monthly.*

### MEDBOX COMPLIANCE PACKAGING: FREE

Complicated regimens can keep patients frustrated and unmotivated. With our pill-box adherence packaging, we can sort medicine by day of the week and the most appropriate scheduled dosing time of morning, noon, evening, or bedtime. All maintenance meds are listed in the packaging with a picture, that way patients can focus on adherence and regain peace of mind.

*It's easy to forget when to take medicines.*

*Simplify your schedule and find serenity now.*

### WAKE & JOHNSTON CO. DELIVERY: FREE

Transportation and inconvenience are big factors in getting patients to both drop off prescriptions and remember to pick them up. Our delivery drivers go out once a day Monday through Friday and deliver typically between 10 AM to 6 PM. Call us and we can arrange delivery same day or next business day.

*Look for the yellow car with our logo.*

*Call us when you leave the Doctor or need something.*
